

# Serums and Conditioners

**1 RapidLash Eyelash Enhancing Serum** is clinically proven to enhance, condition and strengthen lashes and brows with a mix of six proprietary ingredients that prevent breakage and lock in moisture. • 508.539.7077, [rapidlash.com](http://rapidlash.com)

**2 A concentrated growth accelerator** formulated with multi-proteins and conditioners, **Ardell Lash & Brow Excel** is designed to repair and condition weak lashes and brows to help create a fuller look. • 800.621.9585, [ardellashes.com](http://ardellashes.com)

**3 Lashfresh Eyelash Extension Conditioner with Silk Protein** helps strengthen lashes, while minimizing lash breakage. Bonus: It also helps prevent the glue that's used to adhere artificial extensions from drying out and hardening, which can cause irritation. • 866.747.7751, [lashfresh.com](http://lashfresh.com)

**4 LashFood Eyelash Enhancer** promises to give your clients thicker, longer and healthier lashes with results in as little as four weeks. • 800.748.5168, [lashfood.com](http://lashfood.com)

**5 Enriched with peptides, natural plant extracts and multivitamins, NovaLash Lash+doctor** conditions, thickens and helps prevent lash loss. • 866.430.1261, [novalash.com](http://novalash.com)
